

THROW NO BRICKS, SAYS STUDLEY

Republican Candidate For Governor States His Position—
Strong For Home Rule in Cities and Workmen's Compensation Act—Also Advocates Extension of Anti-Tuberculosis Movement and State Supervision of Abattoirs

Hartford, Sept. 24.—Members of the state central committee made public today the address of John P. Studley of New Haven, republican candidate for governor, at the meeting of the committee here yesterday. It is Judge Studley's first public utterance on the coming campaign.

"Throw No Bricks."
Judge Studley said he considered public office a public trust and a series of duties rather than one of honors. He urged the republicans "to throw no bricks at the other fellow." He said the merchant, who threw bricks at the street in an endeavor to attract attention to himself never succeeded.

Favors Workmen's Compensation Act.
He was of the opinion that when the workmen's compensation act is passed, the workmen of the protective tariff would see the folly of attempting to radically change a system under

which this country has prospered. He said he favored most strongly a workman's compensation act; state supervision of abattoirs; extension of the anti-tuberculosis movement; and home rule for cities.

Once a Factory Worker.
As to the anti-tuberculosis crusade, Judge Studley said he had deep sympathy, for he was once a factory worker, and he knew of the ravages of the disease that had its inception because of poor conditions in factories.

Strong for Home Rule in Cities.
Judge Studley expressed himself strongly in favor of home rule for cities, saying that he believed that cities should manage their own affairs rather than taking minor appointments to the legislature.

Kennedy to Take Stump.
The state central committee also announced today that former State Central Committeeman Michael Kennedy of Stamford would take the stump in Connecticut next month.

SLIGHT INJURIES WHEN HIT BY AUTOMOBILE

French Boy Knocked Down by Dr. White's Machine at Willimantic.

(Special to The Bulletin.)

Willimantic, Sept. 24.—About 5:20 o'clock Tuesday afternoon a hurdygurdy was turning off popular airs on Main street near the garage of the Turnbull Auto company, and a crowd was congregated there, including some children, when Dr. R. C. White came driving up Main street in his big automobile just as a little French lad of twelve dodged out from the crowd and stepped in the path of the slowly moving automobile, and was knocked down and run over before the machine could be brought to a standstill.

Dr. White picked up the unconscious lad and hurried him off to St. Joseph's hospital, where an examination showed the lad had sustained a few minor scratches about the face and arm and a bad shaking up. The boy could not talk English and the hospital authorities could not ascertain his identity.

At 11:30 o'clock in the evening he was reported quietly sleeping and that he would be discharged in the morning.

RENOMINATED JUDGE SHEA.

Republican Probate Convention at Windham Had Only One Name Before It.

(Special to The Bulletin.)

Willimantic, Sept. 24.—Jared Fuller of Scotland, chairman of the probate committee, called the republican probate convention for the district, comprising the towns of Scotland and Windham, to order in the office of the Windham inn at 8:45 Tuesday evening.

Charles F. Risdorf of Willimantic was chairman and Charles W. Tryon, also of Willimantic, was chosen clerk. Mr. Fuller was re-elected chairman of the probate committee and Mr. Tryon was elected as the other member in place of John C. Barstow.

All of the six delegates were present, as follows: E. F. Risdorf, T. W. Tryon, E. O. Sumner and Joseph Leclair, Willimantic; C. O. Reed and Juman Dorance of Scotland. Nominations for judge of probate were called for, and Mr. Dorance placed for nomination the name of Judge James A. Shea of Willimantic, who has filled the office for the past six years. The nomination was seconded by E. O. Sumner of Willimantic and as there were no further nominations, Judge Shea's nomination was made unanimous by acclamation.

C. D. Reed and Joseph Leclair were appointed a committee to find the nominee and present him to the caucus. The committee soon returned with Judge Shea, who was introduced by Chairman Risdorf. Judge Shea made a brief speech acknowledging the election. He concluded by inviting the delegates and other guests present to partake of a repast.

The supper was another of those same feasts for which the old inn has such a reputation and was enjoyed by the eighteen who sat down to the elegantly appointed table.

MAYOR HARRISON SHOOTS MAMMOTH BULL MOOSE.

Said to Be Largest Ever Killed in the Province of Quebec.

(Chicago, Sept. 24.—Mayor Carter H. Harrison of Chicago, according to telegrams received here today, has shot the largest bull moose ever killed in the province of Quebec. The moose was found on Lake Marie, 140 miles north of the city of Quebec.

When friends of the mayor learned that he was bringing the moose head to Chicago, they announced that they would attempt to have him present the trophy to progressive party headquarters here.

"There's no reason why a good democratic leader like the mayor should not make the gift," said Commissioner of Public Works McGann. "We democrats are glad to see both wings of the republican party thrive."
